KENNESAW, GA (April 20, 2006) School hallways were silent and empty during Spring Break, but the baseball complex at Adams Park in Kennesaw was alive during Spring Break Baseball Camp. The Kennesaw Parks & Recreation Department welcomed 24 youth for the week-long camp, which was held April 3-7 from 9am to 3pm each day.

With a low camper to instructor ratio and innovative teaching methods, the coaches from Sports-A-Rama provided instruction to campers in proper baseball mechanics through effective station drills designed to build skill development. Each day concluded with games, and all participants received a T-shirt at the end of the week.

"The kids were excited to be here, the weather cooperated, and everything turned out very well," said David Pies, Recreation Programs Coordinator. "It's wonderful that we can provide opportunities for our youth to practice a sport they obviously love. Hopefully this experience will boost their passion for baseball even further."

The Kennesaw Parks & Recreation Department and Sports-A-Rama will be teaming up again to host another baseball camp this summer from July 12-16, and a softball camp from July 24-28. Visit www.kennesaw-ga.gov/pkrec or call (770) 422-9714 for more information.
